SENATOR MURPHY: You said do I want to reply. I thought someone had raised a question. No, I don't think I have anything further to say. It's just that this action we took was improper, based on a misunderstanding of the source of the funds. I'm suggesting that we correct that error and readvance the bill.

I, again, would move to return the bill for that specific amendment.

PRESIDENT: You've heard the question. Record your vote. Have you voted? Record.

CLERK: 34 ayes, 0 nays on motion to adopt.

PRESIDENT: Would you want to move, Senator Murphy?

SENATOR MURPHY: Yes sir, if I am airborne again. I would now move that the DeCamp amendment be stricken.

PRESIDENT: Senator DeCamp says he's already done that.

SENATOR DeCAMP: We just did. Remember we moved it back yesterday, now we struck the amendment. Now we just have to advance it.

PRESIDENT: OK.

SENATOR MURPHY: Fine, then I would move the bill be readvanced.

PRESIDENT: Alright. All in favor say aye, contrary say nay. The bill is advanced.

CLERK: Mr. President, a motion on the desk. I move to return LB 948 to Select File for a specific amendment. Signed, Senator Murphy. The specific amendment is found on page 1200 of the Legislative Journal, redefining the word "corporation".

SENATOR MURPHY: Gentlemen, this is an error in the ... I don't want to say drafting because actually it's the Bill Drafter who called the error to my attention. It's an error in wording in the federal ... in what would be a state insurance association for credit unions. The original wording, according to Mr. Burnett, would have been, he felt, unconstitutional. So we have had corrective wording drawn and would like to substitute in the bill.... The only change it makes is that originally the state was creating a corporation which it is forbidden to do, apparently. So he has furnished corrective language. I would move that the bill be returned and that this corrective language, relative to the creation of this corporation be substituted. I move we return the bill for that specific purpose.

CLERK: LB 948 is bracketed. I suspect we should have had a unanimous consent request to unbracket it.
